5 SENSES

A NOTE FROM MRS. DAVIS

We had another GREAT week of learning in kindergarten! We learned about the importance of "not giving up", how we should always be "challenging our brains" and how we should "set attainable goals" for ourselves. We learned not to say, "I can't do it" but instead say, "I can't do it YET!" Some of the exciting events we had were celebrating our 2nd DOUBLOON reward with having a "Game Day", reading outside with our 4th grade Reading Buddies, playing multiple sorting games and taking some of our first literacy and math assessments. Next week, we will learn about the importance of our 5 senses. We hope that you have a wonderful holiday weekend! 😊

LEARNING FOCUS

1. Literacy- Letterland Focus-sound and handwriting form of Aa and Cc, letter name/sound/character name review, popcorn words and concepts of print
2. Math- Review sorting items by ONE attribute, subitizing (Quickly recognizing amounts by their arrangement)
3. Social Studies- "Family" & "Growth Mindset"
4. Positivity Project-Knowing that your words and actions affect others

Homework

1. Write the popcorn words-: we, you and look on separate index cards (practice daily-keep @ home in box) Add alphabet flashcards & practice if your child does not recognize all alphabet letters/sounds YET.
2. (Orange) Popcorn Word Sentences books... read up to "to" page. Color in only 1 star for EACH time your child reads the ENTIRE page to an adult. Do NOT go past "to" page* **RETURN BOOK ON TUESDAY!**
3. Aa and Cc handwriting/word/picture practice in homework notebook and activity worksheets (pace these throughout the week)
4. Show and Tell-due on your child's assigned day-see topic below.
5. **Homework is due NEXT Thursday or earlier** 😊
