A NOTE FROM MRS. DAVIS

This week, we wrapped up our study of fall with our apple unit. We learned about Veteran's Day and started our study of life in the "past" vs. the "present". We sent home a flier on Wednesday explaining our second annual "Thankful for One Another" parade which we'll have on the Tuesday before the Thanksgiving holiday, November 22. Please help your child think of a costume that represent your family's culture/traditions or one that represents a holiday that your family celebrates. We'll take lots of pictures for families to see. We're very fortunate at O.C.E. to have such rich diversity represented in our families and children. This week we also had our first cultural arts assembly, PEPI and cheered on Isaiah and Jack at the OCE Family Marathon. It was a short but very productive week! 😊
