## A NOTE FROM MRS. DAVIS

This week in kindergarten we *started* our study of the five senses. We focused on sight and hearing this week. We had fun reading books, playing sense-related science games and doing exciting experiments. We made a model of an eye to help us remember the parts of the eye. ❤️ Next week, we'll complete our study of the five senses and focus on smell, taste and touch. We really enjoyed our "senses" show and tell! We also got an opportunity to go shopping at the OCE Book Fair. YAY! 😊 Thank you for all of your help and support in the home. The kiddos are all making so much progress! #teamworkmakesthedreamwork
